

## Improving Policy Guidelines & Analysis Methods for Performing Storage Reallocation Studies

**Status:**

In Progress

**IWR Contact:**

Rolf Olsen ([J.Rolf.Olsen@usace.army.mil](mailto:J.Rolf.Olsen@usace.army.mil))

**Purpose:**

The propose research is to address policy issues and potential improvements in reservoir storage reallocation analysis methods and to improve stochastic methods for estimating risk and uncertainty associated with waste supply. Additional funding required.
